

During my years at Our Lady of Grace Catholic School, I have had so many great memories. One of my favorite memories I have had was when my third grade teacher Ms. Campbell had taught the whole school Zumba during the Fun Run. Once during the fourth grade we learned about the Gold Rush. So we took a field trip to Sacramento, and we spent the whole day there. We were able to look for gold and had the best teriyaki chicken and beans ever. I also have loved the community feeling that OLG has.

Class of 2023
