

OLG has been my school since Kindergarten. OLG was my first step up the stairs for education. The teachers were and still are very friendly. Throughout my journey I encountered sad and happy times in which my class and teachers supported me. As I graduate I will miss everyone: Brother Chris, Ms. Dawson, Mrs. Hughes, and Mrs. Dawson will always remain in my heart. Above all I shall miss my class of 2023. It is hard to believe that the end is near and we are all separating.
